Subpart A—Restrictions and Criteria for Export Credit Guarantee Programs

§1493.1 General statement.

This subpart sets forth the restrictions which apply to the use of credit guarantees under the Commodity Credit Corporation (CCC) Export Credit Guarantee Program (GSM-102) and the Intermediate Credit Guarantee Program (GSM-103) and the criteria considered by CCC in determining the annual allocations of credit guarantees to be made available with respect to each participating country. This subpart also sets forth the criteria considered by CCC in the review and approval of proposed allocation levels for GSM-102 and/or GSM-103 credit guarantees which may be made available in connection with export sales of specific U.S. agricultural commodities to these countries. These restrictions and criteria are interrelated and will be applied and considered together in the process of determining which sales opportunities under GSM-102 or GSM-103 will best meet the purposes of the programs.

[⬆ Back to Top](#)

§1493.2 Purposes of programs.

CCC may use export credit guarantees:

- (a) To increase exports of U.S. agricultural commodities;
- (b) To compete against foreign agricultural exports;

(c) To assist countries, particularly developing countries, in meeting their food and fiber needs; and

(d) For such other purposes as the Secretary of Agriculture determines appropriate, consistent with the provisions of §1493.6.

[⬆ Back to Top](#)

§1493.3 Restrictions on programs and cargo preference statement.

(a) *Restrictions on use of credit guarantees.* (1) Export credit guarantees authorized under these regulations shall not be used for foreign aid, foreign policy, or debt rescheduling purposes.

(2) CCC shall not make credit guarantees available in connection with sales of agricultural commodities to any country that the Secretary determines cannot adequately service the debt associated with such sales.

(b) *Cargo preference laws.* The provisions of the cargo preference laws shall not apply to export sales with respect to which credit is guaranteed under these programs.

§1493.4 Criteria for country allocations.

The criteria considered by CCC in reviewing proposals for country allocations under the GSM-102 or GSM-103 programs, will include, but not be limited to, the following:

(a) Potential benefits that the extension of export credit guarantees would provide for the development, expansion or maintenance of the market for particular U.S. agricultural commodities in the importing country;

(b) Financial and economic ability of the importing country to adequately service CCC guaranteed debt;

(c) Financial status of participating banks in the importing country as it would affect their ability to adequately service CCC guaranteed debt;

(d) Political stability of the importing country as it would affect its ability to adequately service CCC guaranteed debt; and

(e) Current status of debt either owed by the importing country to CCC or to lenders protected by CCC's guarantees.

§1493.5 Criteria for agricultural commodity allocations.

The criteria considered by CCC in reviewing proposals for specific U.S. commodity allocations within a specific country allocation will include, but not be limited to, the following:

(a) Potential benefits that the extension of export credit guarantees would provide for the development, expansion or maintenance of the market in the importing country for the particular U.S. agricultural commodity under consideration;

(b) The best use to be made of the export credit guarantees in assisting the importing country in meeting its particular needs for food and fiber, as may be determined through consultations with private buyers and/or representatives of the government of the importing country;

(c) Evaluation, in terms of program purposes, of the relative benefits of providing payment guarantee coverage for sales of the U.S. agricultural commodity under consideration compared to providing coverage for sales of other U.S. agricultural commodities; and

(d) Evaluation of the near and long term potential for sales on a cash basis of the U.S. commodity under consideration.

§1493.6 Additional required determinations for GSM-103.

Notwithstanding any other provision under this part, CCC shall not guarantee under the GSM-103 program the repayment of credit made available to finance an export sale unless the Secretary of Agriculture determines that such sale will:

(a) Develop, expand or maintain the importing country as a foreign market, on a long-term basis, for the commercial sale and export of U.S. agricultural commodities, without displacing normal commercial sales;

(b) Improve the capability of the importing country to purchase or use, on a long-term basis, U.S. agricultural commodities; or

(c) Otherwise promote the export of U.S. agricultural commodities.

Subpart B—CCC Export Credit Guarantee Program (GSM-102) and CCC Intermediate Export Credit Guarantee Program (GSM-103) Operations

§1493.10 General statement.

(a) *Overview.* (1) This subpart contains the regulations governing the operations of the Export Credit Guarantee Program (GSM-102) and the Intermediate Credit Guarantee Program (GSM-103). The GSM-102 and GSM-103 programs of the Commodity Credit Corporation (CCC) were developed to expand U.S. agricultural exports by making available export credit guarantees to encourage U.S. private sector financing of foreign purchases of U.S. agricultural commodities on credit terms. Under GSM-102, credit guarantees are issued for terms of up to three years. Under GSM-103, credit guarantees are issued for terms of from three to ten years.

(2) The programs operate in cases where credit is necessary to increase or maintain U.S. exports to a foreign market and where private U.S. financial institutions would be unwilling to provide financing without CCC's guarantee. The programs are operated in a manner intended not to interfere with markets for cash sales. The programs are targeted toward those countries where the guarantees are necessary to secure financing of the exports but which have sufficient financial strength so that foreign exchange will be available for scheduled payments. In providing this credit guarantee facility, CCC seeks to expand market opportunities for U.S. agricultural exporters and assist long-term market development for U.S. agricultural commodities.

(3) The credit facility created by these programs is the CCC payment guarantee. The payment guarantee is an agreement by CCC to pay the exporter, or the U.S. financial institution that may take assignment of the exporter's right to proceeds, specified amounts of principal and interest due from, but not paid by, the foreign bank issuing an irrevocable letter of credit in connection with the export sale to which CCC's guarantee coverage pertains. By approving an exporter's application for a payment guarantee, CCC encourages private sector, rather than governmental, financing and incurs a

substantial portion of the risk of default by the foreign bank. CCC assumes this risk, in order to be able to operate the programs for the purposes specified in §1493.2.

(b) *Credit facility mechanism.* Typically, in export sales of U.S. agricultural commodities, payment by the importer is made under an irrevocable letter of credit. For the purpose of the GSM-102 and GSM-103 programs, CCC will consider applications for payment guarantees only in connection with export sales of U.S. agricultural commodities where the payment for the agricultural commodities will be made in one of the two following ways:

(1) An irrevocable foreign bank letter of credit, issued in favor of the exporter, specifically stating the deferred payment terms under which the foreign bank is obligated to make payments in U.S. dollars as such payments become due; or

(2) An irrevocable foreign bank letter of credit, issued in favor of the exporter, that is supported by a related obligation specifically stating the deferred payment terms under which the foreign bank is obligated to make payment to the exporter, or the exporter's assignee, in U.S. dollars as such payments become due. The exporter may assign the right to proceeds under the letter of credit or related obligation to a U.S. bank or other financial institution so that the exporter may realize the proceeds of the sale prior to the deferred payment date(s) as set forth in the irrevocable foreign bank letter of credit or its related obligation. The GSM-102 and GSM-103 programs are designed to protect the exporter or the exporter's assignee against those losses specified in the payment guarantee resulting from defaults, whether for commercial or noncommercial reasons, by the foreign bank obligated under the letter of credit or related obligation.

(c) *Program administration.* The GSM-102 and GSM-103 programs will be administered pursuant to this part and any Program Announcements and Notices to Participants issued by CCC pursuant to, and not inconsistent with, this part. These programs are under the general administrative responsibility of the General Sales Manager (GSM), Foreign Agricultural Service (FAS/USDA). The review and payment of claims for loss will be administered by the Office of the Controller, CCC. Information regarding specific points of contact for the public, including names, addresses, and telephone and facsimile numbers of particular USDA or CCC offices, will be announced by a public press release (see §1493.20(c), "Contacts P/R").

(d) *Country allocations and program announcements.* From time to time, CCC will issue a Program Announcement to announce a GSM-102 and/or GSM-103 program allocation for a specific country. The Program Announcement for a country allocation will designate specific allocations for U.S. agricultural commodities or products thereof. Exporters may negotiate export sales to buyers in that country for one of the commodities specified in the Program Announcement and seek payment guarantee coverage within the dollar amounts of specified coverage for that commodity. The Program Announcement will contain a requirement that the exporter's sales contract contain a shipping deadline within the applicable program year. The final date for a contractual shipping deadline will be stated in the Program Announcement. Program Announcements may also contain a specified "undesignated" or "unallocated" dollar amount for the purpose that if dollar amounts specified for a specific commodity for a country become fully used, an additional allocation from the "unallocated" or "undesignated" portion of the total country allocation may then be designated for a specific commodity. Program Announcements that include an "allocated" or "undesignated" dollar amount will contain further information on the "unallocated" or "undesignated" portion of the country allocation.

§1493.20 Definition of terms.

Terms set forth in this part, in CCC Program Announcements and Notices to Participants, and in any CCC-originated documents pertaining to the GSM-102 and GSM-103 programs will have the following meanings:

(a) *Assignee.* A financial institution in the United States which, for adequate consideration given, has obtained the legal rights to receive the payment of proceeds under the payment guarantee.

(b) *CCC*. The Commodity Credit Corporation, an agency and instrumentality of the United States within the Department of Agriculture, authorized pursuant to the Commodity Credit Corporation Charter Act of 1948 (15 U.S.C. 714 *et seq.*), and subject to the general supervision and direction of the Secretary of Agriculture.

(c) *Contacts P/R*. A notice issued by FAS/USDA by public press release which contains specific names, addresses, and telephone and facsimile numbers of contacts within FAS/USDA and CCC for use by persons interested in obtaining information concerning the operations of the GSM-102 or GSM-103 program. The Contacts P/R also contains details about where to submit information required to qualify for program participation, to apply for payment guarantees, to request amendments of payment guarantees, to submit evidence of export reports, and to give notices of default and file claims for loss.

(d) *Date of export*. One of the following dates, depending upon the method of shipment: the on-board date of an ocean bill of lading or the on-board ocean carrier date of an intermodal bill of lading; the on-board date of an airway bill; or, if exported by rail or truck, the date of entry shown on an entry certificate or similar document issued and signed by an official of the Government of the importing country.

(e) *Date of sale*. The earliest date on which a contractual obligation exists between the exporter, or an intervening purchaser, if applicable, and the importer under which a firm dollar-and-cent price for the sale of agricultural commodities to the importer has been established or a mechanism to establish such price has been agreed upon.

(f) *Discounts and allowances*. Any consideration provided directly or indirectly, by or on behalf of the exporter or an intervening purchaser, to the importer in connection with a sale of an agricultural commodity, above and beyond the commodity's value, stated on the appropriate FOB, FAS, CFR or CIF basis. Discounts and allowances include, but are not limited to, the provision of additional goods, services or benefits; the promise to provide additional goods, services or benefits in the future; financial rebates; the assumption of any financial or contractual obligations; the whole or partial release of the importer from any financial or contractual obligations; or settlements made in favor of the importer for quality or weight.

(g) *Eligible interest*. The maximum amount of interest, based on the interest rate indicated in CCC's payment guarantee or any amendments to such payment guarantee, which CCC agrees to pay the exporter or the exporter's assignee in the event that CCC pays a claim for loss. The maximum interest rate stated in the payment guarantee, when determined or adjusted by CCC, will not exceed the average investment rate of the most recent Treasury 52-week bill auction in effect at that time.

(h) *Exported value*. (1) Where CCC announces coverage on a FAS or FOB basis and:

(i) Where the commodity is sold on a FAS or FOB basis, the value, FAS or FOB basis, U.S. point of export, of the export sale, reduced by the value of any discounts or allowances granted to the importer in connection with such sale; or

(ii) Where the commodity was sold on a CFR or CIF basis, point of entry, the value of the export sale, FAS or FOB, point of export, is measured by the CFR or CIF value of the agricultural commodity less the cost of ocean freight, as determined at the time of application and, in the case of CIF sales, less the cost of marine and war risk insurance, as determined at the time of application, reduced by the value of any discounts or allowances granted to the importer in connection with the sale of the commodity; or

(2) Where CCC announces coverage on a CFR or CIF basis, and where the commodity is sold on a CFR or CIF basis, point of entry, the total value of the export sale, CFR or CIF basis, point of entry, reduced by the value of any discounts or allowances granted to the importer in connection with the sale of the commodity.

(3) When a CFR or CIF commodity export sale involves the performance of non-freight services to be performed outside the United States (e.g., services such as bagging bulk cargo) which are not normally included in ocean freight contracts, the value of such services and any related materials not

exported from the U.S. with the commodity must also be deducted from the CFR or CIF sales price in determining the exported value.

(i) *Exporter*. A seller of U.S. agricultural commodities or products thereof that has qualified in accordance with the provisions of §1493.30.

(j) *FAS/USDA*. The Foreign Agricultural Service, U.S. Department of Agriculture.

(k) *Foreign bank letter of credit*. An irrevocable commercial letter of credit, subject to the current revision of the Uniform Customs and Practices for Documentary Credits (International Chamber of Commerce Publication No. 500, or latest revision), providing for payment in U.S. dollars against stipulated documents and issued in favor of the exporter by a CCC-approved foreign banking institution.

(l) *GSM*. The General Sales Manager, FAS/USDA, acting in his capacity as Vice President, CCC, or his designee.

(m) *GSM-102*. A CCC program, also referred to as the "Export Credit Guarantee Program," under which payment guarantees are approved for a credit period not exceeding 3 years from the date(s) of export or from the date interest begins to accrue, whichever is earlier.

(n) *GSM-103*. A CCC program, also referred to as the "Intermediate Export Credit Guarantee Program," under which payment guarantees are approved for a credit period no less than 3 years but not exceeding 10 years from the date(s) of export or from the date interest begins to accrue, whichever is earlier.

(o) *Guaranteed value*. The maximum amount, exclusive of interest, that CCC agrees to pay the exporter or assignee under CCC's payment guarantee, as indicated on the face of the payment guarantee.

(p) *Importer*. A foreign buyer that enters into a contract with an exporter, or with an intervening purchaser, for an export sale of agricultural commodities to be shipped from the U.S. to the foreign buyer.

(q) *Incoterms*. The following customary terms, as defined by the International Chamber of Commerce, Incoterms (current revision):

(1) Free Alongside Ship (FAS),

(3) Cost and Freight (CFR, or alternatively, C&F, C and F, or CNF), and

(4) Cost Insurance and Freight (CIF).

(r) *Intervening purchaser*. A party that agrees to purchase U.S. agricultural commodities from an exporter and sell the same agricultural commodities to an importer.

(s) *Late interest*. Interest, in addition to the interest due under the payment guarantee, which CCC agrees to pay in connection with a claim for loss, accruing during the period beginning on the first day after receipt of a claim which CCC has determined to be in good order and ending on the day on which payment is made on such claim for loss.

(t) *Payment guarantee*. An agreement under which CCC, in consideration of a fee paid, and in reliance upon the statements and declarations of the exporter, subject to the terms set forth in the written guarantee, this subpart, and any applicable Program Announcements or Notices to Participants, agrees to pay the exporter or the exporter's assignee in the event of a default by a foreign bank on its payment obligation under the foreign bank letter of credit issued in connection with a guaranteed sale or under the foreign bank's related obligation.

(u) *Notice to participants.* A notice issued by CCC by public press release which serves one or more of the following functions: to remind participants of the requirements of the program; to clarify the program requirements contained in these regulations in a manner which is not inconsistent with the regulations; to instruct exporters to provide additional information in applications for payment guarantees under specific country and/or commodity allocations; and to supplement the provisions of a payment guarantee, in a manner not inconsistent with these regulations, before the exporter's application for such payment guarantee is approved.

(v) *Port value.* (1) Where CCC announces coverage on a FAS or FOB basis and:

(i) Where the commodity is sold on a FAS or FOB basis, U.S. point of export, the value, FAS or FOB basis, U.S. point of export, of the export sale, including the upward tolerance, if any, as provided by the export sales contract, reduced by the value of any discounts or allowances granted to the importer in connection with such sale; or

(ii) Where the commodity was sold on a CFR or CIF basis, point of entry, the value of the export sale, FAS or FOB, point of export, including the upward tolerance, if any, as provided by the export sales contract, is measured by the CFR or CIF value of the agricultural commodity less the value of ocean freight and, in the case of CIF sales, less the value of marine and war risk insurance, reduced by the value of any discounts or allowances granted to the importer in connection with the sale of the commodity; or

(2) Where CCC announces coverage on a CFR or CIF basis and where the commodity was sold on CFR or CIF basis, point of entry, the total value of the export sale, CFR or CIF basis, point of entry, including the upward tolerance, if any, as provided by the export sales contract, reduced by the value of any discounts or allowances granted to the importer in connection with the sale of the commodity.

(3) When a CFR or CIF commodity export sale involves the performance of non-freight services to be performed outside the United States (e.g., services such as bagging bulk cargo), which are not normally included in ocean freight contracts, the value of such services and any related materials not exported from the U.S. with the commodity must also be deducted from the CFR or CIF sales price in determining the port value.

(w) *Program announcement.* An announcement issued by CCC which provides information on specific country and commodity allocations and may identify eligible agricultural commodities and countries, length of credit periods which may be covered, specify dollar limitations for CCC exposure in particular countries, and include other information and requirements.

(x) *Related obligation.* A contractual commitment by the foreign bank issuing the letter of credit in connection with an export sale to make payment(s) on principal amount(s), plus any contractual interest, in U.S. dollars, to a financial institution in the United States on deferred payment terms consistent with those permitted under CCC's credit guarantee programs. The U.S. financial institution is entitled to such payments because it has financed the obligation arising under such letter of credit.

(y) *United States or U.S.* All of the 50 states, the District of Columbia, and the territories and possessions of the United States.

(z) *U.S. agricultural commodity.* (1) An agricultural commodity or product entirely produced in the United States; or

(1) The address of the applicant's headquarters office and the name and address of an agent in the U.S. for the service of process;

(2) The legal form of doing business of the applicant, e.g., sole proprietorship, partnership, corporation, etc.

(3) The place of incorporation of the applicant, if the applicant is a corporation;

(4) The name and U.S. address of the office(s) of the applicant, and statement indicating whether the applicant is a U.S. domestic corporation, a foreign corporation or another foreign entity. If the applicant has multiple offices, the address included in the information should be that which is pertinent to the particular GSM-102 or GSM-103 export sale contemplated by the applicant;

(5) A certified statement describing the applicant's participation, if any, during the past three years in U.S. Government programs, contracts or agreements; and

(b) *Previous qualification*. Any exporter that has previously qualified under this section may submit applications for GSM-102 or GSM-103 payment guarantees. Each application must include the statement required by §1493.40(a)(18) incorporating the certifications of §1493.50, including the certification in §1493.50(e) that the information previously provided pursuant to paragraph (a) of this section has not changed. If the exporter is unable to provide such certification, such exporter must update the information required by paragraph (a) of this section which has changed and certify that the remainder of the information previously provided has not changed.

(c) *Additional submissions*. CCC will promptly notify applicants that have submitted information required by this section whether they have qualified to participate in the program. Any applicant failing to qualify will be given an opportunity to provide additional information for consideration by CCC.

(d) *Ineligibility for program participation*. An applicant may be ineligible to participate in the GSM-102 or GSM-103 programs if:

§1493.40 Application for payment guarantee.

(a) A firm export sale must exist before an exporter may submit an application for a payment guarantee. An application for a payment guarantee may be submitted in writing or may be made by telephone, but, if made by telephone, it must be confirmed in writing to the office specified in the Contacts P/R. An application must identify the name and address of the exporter and include the following information:

- (1) Name of the destination country.
- (2) Name and address of the importer.
- (3) Name and address of the intervening purchaser, if any, and a statement that the commodity will be shipped directly to the importer in the destination country.
- (4) Date of sale.
- (5) Exporter's sale number.
- (6) Delivery period as agreed between the exporter and the importer.
- (7) A full description of the commodity (including packaging, if any).
- (8) Mean quantity, contract loading tolerance and, if necessary, a request for CCC to reserve coverage up to the maximum quantity permitted by the contract loading tolerance.
- (9) Unit sales price of the commodity, or a mechanism to establish the price, as agreed between the exporter and the importer. If the commodity was sold on the basis of CFR or CIF, the actual (if known at the time of application) or estimated value of freight and, in the case of sales made on a CIF basis, the actual (if known at the time of application) or estimated value of marine and war risk insurance, must be specified.
- (10) Description and value of discounts and allowances, if any.
- (11) Port value (includes upward loading tolerance, if any).
- (12) Guaranteed value.
- (13) Guarantee fee.
- (14) Name and location of the foreign bank issuing the letter of credit.
- (15) The term length for the credit being extended and the intervals between principal payments for each shipment to be made under the export sale.
- (16) A statement indicating whether any portion of the export sale for which the exporter is applying for a payment guarantee is also being used as the basis for an application for participation in any of the following CCC or USDA export programs: Export Enhancement Program, Dairy Export Incentive Program, Sunflowerseed Oil Assistance Program, or Cottonseed Oil Assistance Program. The number of the Agreement assigned by USDA under one of these programs should be included, as applicable.
- (17) Other information as specified in Notices to Participants, as applicable.

(18) The exporter's statement, "All Section 1493.50 Certifications Are Being Made In This Application" which, when included in the application by the exporter, will constitute a certification that it is in compliance with all the requirements set forth in §1493.50.

(b) An application for a payment guarantee may be approved as submitted, approved with modifications agreed to by the exporter, or rejected by the GSM. In the event that the application is approved, the GSM will cause a payment guarantee to be issued in favor of the exporter. Such payment guarantee will become effective at the time specified in §1493.60(b). If, based upon a price review, the unit sales price of the commodity does not fall within the prevailing commercial market level ranges, as determined by CCC, the application will not be approved.

§1493.50 Certification requirements for obtaining payment guarantee.

By providing the statement in §1493.40(a)(18), the exporter is certifying that the information provided in the application is true and correct and, further, that all requirements set forth in this section have been or will be met. The exporter will be required to provide further explanation or documentation with regard to applications that do not include this statement. The exporter, in submitting an application for a payment guarantee and providing the statement set forth in §1493.40(a)(18), certifies that:

(a) The agricultural commodity or product to be exported under the payment guarantee is a U.S. agricultural commodity as defined by §1493.20(z).

(b) There have not been and will not be any corrupt payments or extra sales services or other items extraneous to the transaction provided, financed, or guaranteed in connection with the transaction, and that the transaction complies with applicable United States law;

(c) If the agricultural commodity is vegetable oil or a vegetable oil product, that none of the agricultural commodity or product has been or will be used as a basis for a claim of a refund, as drawback, pursuant to section 313 of the Tariff Act of 1930, 19 U.S.C. 1313, of any duty, tax or fee imposed under Federal law on an imported commodity or product;

(d) No person or selling agency has been employed or retained to solicit or secure the payment guarantee, and that there is no agreement or understanding for a commission, percentage, brokerage, or contingent fee, except in the case of bona fide employees or bona fide established commercial or selling agencies maintained by the exporter for the purpose of securing business; and

(e) The information provided pursuant to §1493.30 has not changed, the exporter still meets all of the qualification requirements of §1493.30, and the exporter will immediately notify CCC if there is a change of circumstances which would cause it to fail to meet such requirements. If the exporter breaches or violates these certifications with respect to a GSM-102 or GSM-103 payment guarantee, CCC will have the right, notwithstanding any other rights provided under this subpart, to annul guarantee coverage for any commodities not yet exported and/or to proceed against the exporter.

§1493.60 Payment guarantee.

(a) *CCC's obligation.* The payment guarantee will provide that CCC agrees to pay the exporter or the exporter's assignee an amount not to exceed the guaranteed value, plus eligible interest, in the event that the foreign bank fails to pay under the foreign bank letter of credit or the related obligation. Payment by CCC will be in U.S. dollars.

(b) *Period of guarantee coverage.* The payment guarantee will apply to the period beginning either on the date(s) of export(s) or on the date when interest begins to accrue, whichever is earlier,

and will continue during the credit term specified in the payment guarantee or amendments thereto. However, the payment guarantee becomes effective on the date(s) of export(s) of the agricultural commodities or products thereof specified in the exporter's application for a payment guarantee.

(c) *Terms of the CCC payment guarantee.* The terms of CCC's coverage will be set forth in the payment guarantee, as approved by CCC, and will include the provisions of this subpart, which may be supplemented by any Program Announcements and/or Notices to Participants in effect at the time the payment guarantee is approved by CCC.

(d) *Final date to export.* The final date to export shown on the payment guarantee will be one month, as determined by CCC, after the contractual deadline for shipping.

(e) *Reserve coverage for loading tolerances.* The exporter may apply for a payment guarantee and, if coverage is available, pay the guarantee fee, based at least on, the amount of the lower loading tolerance of the export sales contract; however, the exporter may also request that CCC reserve additional guarantee coverage to accommodate up to the amount of the upward loading tolerance specified in the export sales contract. If such additional guarantee coverage is available at the time of application and CCC determines to make such reservation, it will so indicate to the exporter. In the event that the exporter ships a quantity greater than the amount on which the guarantee fee was paid (i.e., lower loading tolerance), it may obtain the additional coverage from CCC, up to the amount of the upward loading tolerance, by filing for an amendment to the payment guarantee, and by paying the additional amount of fee applicable. If such amendment to the payment guarantee is not filed with CCC by the exporter within 30 days after the date of the last export against the sales contract, CCC may determine not to reserve the coverage originally set aside for the exporter.

(f) *Ineligible exports.* Commodities with a date of export prior to the date of receipt by CCC of the exporter's telephonic or written application for a payment guarantee, or with a date of export made after the final date for export shown on the payment guarantee or any amendments thereof, are ineligible for GSM-102 or GSM-103 guarantee coverage, except where it is determined by the GSM to be in the best interests of CCC to provide guarantee coverage on such commodities.

(g) *Foreign agricultural component.* CCC may approve payment guarantees under this subpart only in connection with sales of United States agricultural commodities as defined in §1493.20(z). CCC may not provide guarantee coverage under this subpart on credit extended for the value of any foreign agricultural component.

(h) *Additional requirements.* The payment guarantee may contain such additional terms, conditions, and limitations as deemed necessary or desirable by the GSM. Such additional terms, conditions or qualifications, as stated in the payment guarantee are binding on the exporter or the exporter's assignee.

(i) *Amendments.* A request for an amendment of a payment guarantee may be submitted only by the exporter (with the concurrence of the assignee, if any). CCC will consider such a request only if the amendment sought is consistent with this subpart and any applicable Program Announcements and Notices to Participants. Amendments may include, but will not be limited to, a change in the credit period and an extension of time to export. Any amendment to the payment guarantee, particularly those that result in an increase in CCC's liability under the payment guarantee, may result in an increase in the guarantee fee. (Technical corrections or corrections of a clerical error which may be submitted by the exporter or the exporter's assignee are not viewed as amendments.)

§1493.70 Guarantee rates and fees.

(a) *Guarantee fee rates.* The payment guarantee fee rates will be based upon the length of the payment terms provided for in the export sale contract, the degree of risk that CCC assumes, as determined by CCC, and any other factors which CCC determines appropriate for consideration. A current schedule of the guarantee fee rates charged by CCC under GSM-102 and GSM-103 will be available upon request from the FAS/USDA office specified in the Contacts P/R.

(b) *Calculation of fee.* The guarantee fee will be computed by multiplying the guaranteed value by the guarantee fee rate.

(c) *Payment of fee.* The exporter shall remit, with his written application, the full amount of the guarantee fee. Applications will not be approved until the guarantee fee has been received by CCC. The exporter's check for the guarantee fee shall be made payable to CCC and mailed or delivered by courier to the office specified in the Contacts P/R.

(d) *Refunds of fee.* Guarantee fees paid in connection with approved applications will ordinarily not be refundable. CCC's approval of the application will be final and refund of the guarantee fee will not be made after approval unless the GSM determines that such refund will be in the best interest of CCC. If the application for a payment guarantee is not approved or is approved only for a part of the guarantee coverage requested, a full or pro rata refund of the fee remittance will be made.

§1493.80 Evidence of export.

(a) *Report of export.* The exporter is required to provide CCC an evidence of export report for each shipment made under the payment guarantee. This report must include the following:

(1) Payment guarantee number

(2) Date of export

(3) Exporter's sale number

(4) Exported value

(5) Quantity

(6) A full description of the commodity exported

(7) Unit sales price received for the commodity exported and the basis (e.g., FOB, CFR, CIF). Where the unit sales price at export differs from the unit sales price indicated in the exporter's application for a payment guarantee, the exporter is also required to submit a statement explaining the reason for the difference.

(8) Description and value of discounts and allowances, if any.

(9) Number of the Agreement assigned by USDA under another program if any portion of the export sale was also approved for participation in the following CCC or USDA export programs: Export Enhancement Program, Dairy Export Incentive Program, Sunflowerseed Oil Assistance Program, or Cottonseed Oil Assistance Program.

(10) The exporter's statement, "All §1493.90 Certifications Are Being Made In This Evidence Of Export" which, when included in the evidence of export by the exporter, will constitute a certification that it is in compliance with all the requirements set forth in §1493.90.

(b) *Time limit for submission of evidence of export.* The exporter must provide a written report to the office specified in the Contacts P/R within 60 calendar days if the export was by rail or truck; or 30 calendar days if the export was by any other carrier. The time period for filing a report of export will commence upon each date of export of the commodity covered under a payment guarantee. If the evidence of export report is not received by CCC within the time period for filing, the payment guarantee will become null and void only if and only to the extent that failure to make timely filing resulted, or would be likely to result, in:

(1) Significant financial harm to CCC;

(2) The undermining of an essential regulatory purpose of the program;

(3) Obstruction of the fair administration of the program; or

(4) A threat to the integrity of the program. The time limit for submission of an evidence of export report may be extended if such extension is determined by the GSM to be in the best interests of CCC.

(c) *Export sales reporting.* Exporters may have a mandatory reporting responsibility under Section 602 of the Agricultural Trade Act of 1978 (7 U.S.C. 5712), as amended by Section 1531 of the Food, Agriculture, Conservation, and Trade Act of 1990 for exports of wheat and wheat flour, feed grains, oilseeds, cotton, and other agricultural commodities and products thereof.

§1493.90 Certification requirements for the evidence of export.

By providing the statement contained in §1493.80(a)(10), the exporter is certifying that the information provided in the evidence of export report is true and correct and, further, that all requirements set forth in this section have been or will be met. The exporter will be required to provide further explanation or documentation with regard to reports that do not include this statement. If the exporter breaches or violates these certifications with respect to a GSM-102 or GSM-103 payment guarantee, CCC will have the right, notwithstanding any other rights provided under this subpart, to annul guarantee coverage for any commodities not yet exported and/or to proceed against the exporter. The exporter, in submitting the evidence of export and providing the statement set forth in §1493.80(a)(10), certifies that:

(a) The agricultural commodity or product exported under the payment guarantee is a U.S. agricultural commodity as defined by §1493.20(z).

(b) Agricultural commodities of the grade, quality and quantity called for in the exporter's sales contract with the importer have been exported to the country specified in the payment guarantee;

(c) A letter of credit has been opened in favor of the exporter by the foreign bank shown in the payment guarantee to cover the port value of the commodity exported;

(d) There have not been and will not be any corrupt payments or extra sales services or other items extraneous to the transaction provided, financed, or guaranteed in connection with the transaction, and that the transaction complies with applicable United States law; and

(e) The information provided pursuant to §1493.30 has not changed, the exporter still meets all of the qualification requirements of §1493.30 and the exporter will immediately notify CCC if there is a change of circumstances which would cause it to fail to meet such requirements.

§1493.100 Proof of entry.

(a) *Diversion.* The diversion of commodities covered by a GSM-102 or GSM-103 payment guarantee to a country other than that shown on the payment guarantee is prohibited, unless expressly authorized by the GSM.

(b) *Records of proof of entry.* Exporters must obtain and maintain records of an official or customary commercial nature and grant authorized USDA officials access to such documents or records as may be necessary to demonstrate the arrival of the agricultural commodities exported in connection with the GSM-102 or GSM-103 programs in the country that was the intended country of destination of such commodities. Records demonstrating proof of entry must be in English or be accompanied by a certified or other translation acceptable to CCC. Records acceptable to meet this requirement include an original certification of entry signed by a duly authorized customs or port official

of the importing country, by the importer, by an agent or representative of the vessel or shipline which delivered the agricultural commodity to the importing country, or by a private surveyor in the importing country, or other documentation deemed acceptable by the GSM showing:

- (1) That the agricultural commodity entered the importing country;
- (2) The identification of the export carrier;
- (3) The quantity of the agricultural commodity;
- (4) The kind, type, grade and/or class of the agricultural commodity; and
- (5) The date(s) and place(s) of unloading of the agricultural commodity in the importing country.

[Records of proof of entry need not be submitted with a claim for loss, except as may be provided in §1493.110(b)(4)(ii).]

§1493.110 Notice of default and claims for loss.

(a) *Notice of default.* If the foreign bank issuing the letter of credit fails to make payment pursuant to the terms of the foreign bank letter of credit or related obligation, the exporter or the exporter's assignee must submit a notice of default to CCC as soon as possible, but not later than 10 calendar days after the date that payment was due from the foreign bank (the due date). A notice of default must be submitted in writing to the Treasurer, CCC, at the address specified in the Contacts P/R. If the exporter or the exporter's assignee fails to promptly notify CCC of defaults in accordance with this paragraph, CCC may make the payment guarantee null and void with respect to any payment(s) applicable to such default. This time limit may be extended only under extraordinary circumstances and if such extension is determined by the Controller, CCC, to be in the best interests of CCC. The notice of default must include:

- (1) Payment guarantee number;
- (2) Name of the country;
- (3) Name of the defaulting bank;
- (4) Due date;
- (5) Total amount of the defaulted payment due, indicating separately the amounts for principal and interest;
- (6) Date of foreign bank's refusal to pay, if applicable; and
- (7) Reason for foreign bank's refusal to pay, if known.

(b) *Filing a claim for loss.* A claim for a loss by the exporter or the exporter's assignee will not be paid if it is made later than six months from the due date of the defaulted payment. A claim for loss must be submitted in writing to the Treasurer, CCC, at the address specified in the Contacts P/R. The claim for loss must include the following information and documents:

- (1) Payment guarantee number;
- (2) A certification that the scheduled payment has not been received;
- (3) A certification of the amount of accrued interest in default, the date interest began to accrue, and the interest rate on the foreign bank obligation applicable to the claim;

(4) A copy of each of the following documents, with a cover document containing a signed certification by the exporter or the exporter's assignee that each page of each document is a true and correct copy:

(i)(A) The foreign bank letter of credit securing the export sale; and

(B) If applicable, the document(s) evidencing the related obligation owed by the foreign bank to the assignee financial institution which is related to the foreign bank's letter of credit issued in favor of the exporter. Such related obligation must be demonstrated in one of the following ways:

(1) The related obligation, including a specific promise to pay on deferred payment terms, may be contained in the letter of credit as a special instruction from the issuing bank directly to the U.S. financial institution to refinance the amounts paid by the U.S. financial institution for obligations financed according to the tenor of the letter of credit; or

(2) The related obligation may be memorialized in a separate document(s) specifically identified and referred to in the letter of credit as the agreement under which the foreign bank is obliged to repay the U.S. financial institution on deferred payment terms; or

(3) The letter of credit payment obligations may be specifically identified in a separate document (s) setting forth the related obligation, or in a duly executed amendment thereto, as having been financed by the U.S. financial institution pursuant to, and subject to repayment in accordance with the terms of, such related obligation; or

(4) The related obligation may be memorialized in the form of a promissory note executed by the foreign bank issuing the letter of credit in favor of the U.S. financial institution submitting the claim;

(ii) Depending upon the method of shipment, the negotiable ocean carrier or intermodal bill(s) of lading signed by the shipping company with the onboard ocean carrier date for each shipment, the airway bill, or, if shipped by rail or truck, the entry certificate or similar document signed by an official of the importing country;

(iii)(A) The exporter's invoice showing, as applicable, the FAS, FOB, CFR or CIF values; or

(B) If there was an intervening purchaser, both the exporter's invoice to the intervening purchaser and the intervening purchaser's invoice to the importer;

(iv) An instrument, in form and substance satisfactory to CCC, subrogating to CCC the respective rights of the exporter and the exporter's assignee, if applicable, to the amount of payment in default under the applicable export sale. The instrument must reference the applicable foreign bank letter of credit and the related obligation, if applicable; and

(v) A copy of the report(s) of export previously submitted by the exporter to CCC pursuant to §1493.80(a).

(c) *Subsequent claims for defaults on installments.* If the initial claim is found in good order, the exporter or an exporter's assignee need only provide all of the required claims documents with the initial claim relating to a covered transaction. For subsequent claims relating to failure of the foreign bank to make scheduled installments on the same export shipment, the exporter or the exporter's assignee need only submit to CCC a notice of such failure containing the information stated in paragraph (b)(1), (2), and (3) of this section; an instrument of subrogation as per paragraph (b)(4)(iv) of this section, and including the date the original claim was filed with CCC.

§1493.120 Payment for loss.

(a) *Determination of CCC's liability.* Upon receipt in good order of the information and documents required under §1493.110, CCC will determine whether or not a loss has occurred for which CCC is

liable under the applicable payment guarantee, this subpart and any applicable supplemental Program Announcements and Notices to Participants. If CCC determines that it is liable to the exporter and/or the exporter's assignee, CCC will pay the exporter or the exporter's assignee in accordance with paragraphs (b) and (c) of this section.

(b) *Amount of CCC's liability.* CCC's maximum liability for any claims for loss submitted with respect to any payment guarantee, not including any late interest payments due in accordance with paragraph (c) of this section, will be limited to the lesser of:

(1) The guaranteed value as stated in the payment guarantee, plus eligible interest; or

(2) The guaranteed percentage (as indicated in the payment guarantee) of the exported value indicated in the evidence of export, plus eligible interest.

(c) *Late interest payment.* If a claim is not paid within one day of receipt of a claim which CCC has determined to be in good order, late interest will accrue in favor of the exporter or the exporter's assignee beginning with the first day after the day of receipt of a claim found by CCC to be in good order and continuing until and including the date that payment is made by CCC. Late interest will be paid on the guaranteed amount, as determined by paragraphs (b)(1) and (2) of this section, and will be calculated based on the average investment rate of the most recent Treasury 91-day bill auction as announced by the Department of Treasury as of the due date.

(d) *Accelerated payments.* CCC will pay claims only for losses on amounts not paid as scheduled. CCC will not pay claims for amounts due under an accelerated payment clause in the export sales contract, the foreign bank's letter of credit, or any obligation owed by the foreign bank to the assignee U.S. financial institution which is related to the foreign bank's letter of credit issued in favor of the exporter, unless it is determined to be in the best interests of CCC by the Controller, CCC. Notwithstanding the foregoing, CCC at its option may declare the entire amount of the unpaid balance, plus accrued interest, in default and make payment to the exporter or the exporter's assignee in addition to such other claimed amount as may be due from CCC.

(e) *Action against the assignee.* Notwithstanding any other provision in this subpart to the contrary, with regard to commodities covered by a payment guarantee, CCC will not hold the assignee responsible or take any action or raise any defense against the assignee for any action, omission, or statement by the exporter of which the assignee has no knowledge, provided that:

(1) The exporter complies with the reporting requirements under §1493.80 and §1493.90, excluding post-export adjustments (*i.e.*, corrections to evidence of export reports); and

(2) The exporter or the exporter's assignee furnishes the statements and documents specified in §1493.110.

§1493.130 Recovery of losses.

(a) *Notification.* Upon payment of loss to the exporter or the exporter's assignee, CCC will notify the foreign bank of CCC's rights under the subrogation agreement to recover all moneys in default.

(b) *Receipt of monies.* (1) In the event that monies for a defaulted payment are recovered by the exporter or the exporter's assignee from the importer, the foreign bank, or any other source whatsoever, such monies shall be immediately paid to the Treasurer, CCC. If such monies are not received by CCC within 15 business days from the date of recovery by the exporter or the exporter's assignee, the exporter or the exporter's assignee will owe to CCC interest from the date of recovery to the date of receipt by CCC. This interest will be calculated based on the latest average investment rate of the most recent Treasury 91-day bill auction, as announced by the Department of Treasury, in effect on the date of recovery and will accrue from such date to the date of payment by the exporter or the exporter's assignee to CCC. Such interest will be charged only on CCC's share of the recovery.

(2) If CCC recovers monies that should be applied to a payment guarantee for which a claim has been paid by CCC, CCC will pay the holder of the payment guarantee its pro rata share immediately, provided that the required information necessary for determining pro rata distribution has been furnished. If payment is not made by CCC within 15 business days from the date of recovery or 15 business days from receiving the required information for determining pro rata distribution, whichever is later, CCC will pay interest calculated on the latest average investment rate of the most recent Treasury 91-day bill auction, as announced by the Department of Treasury, in effect on the date of recovery and such interest will accrue from such date to the date of payment by CCC. The interest will apply only to the portion of the recovery payable to the holder of the payment guarantee.

(c) *Allocation of recoveries.* Recoveries made by CCC from the importer or the foreign bank, and recoveries received by CCC from the exporter, the exporter's assignee, or any other source whatsoever, will be allocated by CCC to the exporter or the exporter's assignee and to CCC on a pro rata basis determined by their respective interests in such recoveries. The respective interest of each party will be determined on a pro rata basis, based on the combined amount of principal and interest in default. Once CCC has paid out a particular claim under a GSM-102 or GSM-103 payment guarantee, CCC prorates any collections it receives and shares these collections proportionately with the holder of the guarantee until both CCC and the holder of the guarantee have been reimbursed in full. Appendix A to §1493.130—Illustration of Pro Rata Allocation of Recoveries—provides an example of the methodology used by CCC in applying this paragraph (c).

(d) *Liabilities to CCC.* Notwithstanding any other terms of the payment guarantee, the exporter may be liable to CCC for any amounts paid by CCC under the payment guarantee when and if it is determined by CCC that the exporter has engaged in fraud, or has been or is in material breach of any contractual obligation, certification or warranty made by the exporter for the purpose of obtaining the payment guarantee or for fulfilling obligations under GSM-102 or GSM-103. Further, the exporter's assignee may be liable to CCC for any amounts paid by CCC under the payment guarantee when and if it is determined by CCC that the exporter's assignee has engaged in fraud or otherwise violated program requirements.

(e) *Good faith.* The violation by an exporter of the certifications in §1493.50(b) and §1493.90(d) or the failure of an exporter to comply with the provisions of §1493.100 or §1493.140(e) will not affect the validity of any payment guarantee with respect to an assignee which had no knowledge of such violation or failure to comply at the time such exporter applied for the payment guarantee or at the time of assignment of the payment guarantee.

(f) *Cooperation in recoveries.* Upon payment by CCC of a claim to the exporter or the exporter's assignee, the exporter or the exporter's assignee will cooperate with CCC to effect recoveries from the foreign bank and/or the importer.

APPENDIX A TO §1493.130—ILLUSTRATION OF PRO RATA ALLOCATION OF RECOVERIES

The following example illustrates CCC's policy, as set forth in §1493.130(c), regarding pro rata sharing of recoveries made for claims filed under the GSM-102 and GSM-103 programs. A typical case might be as follows:

1. The U.S. bank enters into a \$300,000 three-year credit arrangement with the foreign bank calling for equal annual payments of principal and annual payments of interest at a rate of 10 percent per annum and a penalty interest rate of 12 percent per annum on overdue amounts until the overdue amount is paid.
2. The foreign bank fails to make the final principal payment of \$100,000 and an interest payment of \$10,000, both due on January 31.
3. On February 10, the U.S. bank files a claim in good order with CCC.
4. CCC's guarantee states that CCC's maximum liability is limited to 98 percent of the principal amount due (\$98,000) and interest at a rate of 8 percent per annum (basis 365 days) on 98 percent of the principal (\$7,840).
5. CCC pays the claim on February 22.
6. The latest bond equivalent rate of the 52-week Treasury bill auction average which has been published by the Department of Treasury in effect on the date of nonpayment (January 31) is 9 percent. The latest investment

rate of the 91-day Treasury Bill auction average which has been published by the Department of Treasury in effect on the date of nonpayment by CCC (February 11) is 7 percent.

COMPUTATION OF OBLIGATIONS

Using the above case, CCC's payment to the holder of the payment guarantee would be computed as follows:

1. CCC's Obligation under the Payment Guarantee:

(a)	Principal coverage—(98% × \$100,000)	\$98,000.00
(b)	Interest coverage—(8% × \$98,000)	\$7,840.00
		\$105,840.00
(c)	Late interest due from CCC (7% per annum for 11 days × \$105,840)	\$223.28
(d)	Amount paid by CCC on February 22	\$106,063.28

2. Foreign Bank's Obligation under the Letter of Credit or the Related Obligation:

(a)	Principal due January 31	\$100,000.00
	Interest due January 31 (10% × \$100,000)	\$10,000.00
	Amount owed by foreign bank as of January 31	\$110,000.00
(b)	Penalty interest due (12% per annum for 22 days × \$100,000)	\$795.62
(c)	Amount owed by foreign bank as of February 22	\$110,795.62

3. Amount of Foreign Bank's Obligation Not Covered by CCC's Payment Guarantee: \$4,668.55

COMPUTATION OF PRO RATA SHARING IN RECOVERY OF LOSSES

In establishing each party's respective interest in any recovery of losses, the total amount due under the foreign bank obligation would be determined as of the date the claim is paid by CCC (February 22). Using the above example in which the amount owed by the foreign bank is \$110,000, CCC would be entitled to 95.75 percent (\$106,063.07 divided by \$110,765.62) and the holder of the payment guarantee would be entitled to 4.21 percent (\$4,668.55 divided by \$110,795.62) of any recoveries of losses after settlement of the claim. Since in this example, the losses were recovered after the claim has been paid by CCC, §1493.130(b) would apply.

§1493.140 Miscellaneous provisions.

(a) *Assignment.* (1) The exporter may assign the proceeds which are, or may become, payable by CCC under a payment guarantee or the right to such proceeds only to a financial institution in the U.S. The assignment must cover all amounts payable under the payment guarantee not already paid, may not be made to more than one party, and may not, unless approved in advance by CCC, be:

- (i) Made to one party acting for two or more parties or
- (ii) Subject to further assignment.

(2) An original and two copies of the written notice of assignment signed by the parties thereto must be filed by the assignee with the Treasurer, CCC, at the address specified in the Contacts P/R.

(3) Receipt of the notice of assignment will ordinarily be acknowledged to the exporter and its assignee in writing by an officer of CCC. In cases where a financial institution is determined to be ineligible to receive an assignment, in accordance with paragraph (b) of this section, CCC will provide notice thereof, to the financial institution and to the exporter issued the payment guarantee, in lieu of an acknowledgment of assignment.

(4) The name and address of the assignee must be included on the written notice of assignment.

(b) *Ineligibility of financial institutions to receive an assignment.* A financial institution will be ineligible to receive an assignment of proceeds which may become payable under a payment guarantee if, at the time of assignment, such financial institution:

- (1) Is not in sound financial condition, as determined by the Treasurer of CCC; or
- (2) Is the financial institution issuing the letter of credit or branch, agency, or subsidiary of such institution; or
- (3) Is owned or controlled by an entity that owns or controls the financial institution issuing the letter of credit; or
- (4) Is the U.S. parent of the foreign bank issuing the letter of credit.

(c) *Ineligibility of financial institutions to receive proceeds.* A financial institution will be ineligible to receive proceeds payable under a payment guarantee approved by CCC if such financial institution:

- (1) At the time of assignment of a payment guarantee, is not in sound financial condition, as determined by the Treasurer of CCC;
- (2) Is the financial institution issuing the letter of credit or a branch, agency, or subsidiary of such institution; or
- (3) Is owned or controlled by an entity that owns or controls the financial institution issuing the letter of credit; or
- (4) Is the U.S. parent of the foreign bank issuing the letter of credit.

(d) *Alternative satisfaction of payment guarantees.* CCC may, with the agreement of the exporter (or if the right to proceeds payable under the payment guarantee has been assigned, with the agreement of the exporter's assignee), establish procedures, terms and/or conditions for the satisfaction of CCC's obligations under a payment guarantee other than those provided for in this subpart if CCC determines that those alternative procedures, terms, and/or conditions are appropriate in rescheduling the debts arising out of any transaction covered by the payment guarantee and would not result in CCC paying more than the amount of CCC's obligation.

(e) *Maintenance of records and access to premises.* (1) For a period of five years after the date of expiration of the coverage of a payment guarantee, the exporter or the exporter's assignee, as applicable, must maintain and make available all records pertaining to sales and deliveries of and extension of credit for agricultural commodities exported in connection with a GSM-102 or GSM-103 payment guarantee, including those records generated and maintained by agents, intervening purchasers, and related companies involved in special arrangements with the exporter. The Secretary of Agriculture and the Comptroller General of the United States, through their authorized representatives, must be given full and complete access to the premises of the exporter or the exporter's assignee, as applicable, during regular business hours from the effective date of the payment guarantee until the expiration of such five-year period to inspect, examine, audit, and make copies of the exporter's, exporter's assignee's, agent's, intervening purchaser's or related company's books, records and accounts concerning transactions relating to the payment guarantee, including, but not limited to, financial records and accounts pertaining to sales, inventory, processing, and administrative and incidental costs, both normal and unforeseen. During such period, the exporter or the exporter's assignee may be required to make available to the Secretary of Agriculture or the Comptroller General of the United States, through their authorized representatives, records that pertain to transactions conducted outside the program, if, in the opinion of the GSM, such records would pertain directly to the review of transactions undertaken by the exporter in connection with the payment guarantee.

(2) The exporter must maintain the proof of entry required by §1493.100(b), and must provide access to such documentation if requested by the Secretary of Agriculture or his authorized representative for the five-year period specified in paragraph (e)(1) of this section.

(f) *Responsibility of program participants.* It is the responsibility of all program participants to review, and fully acquaint themselves with, all regulations, Program Announcements, and Notices to Participants relating to the GSM-102 or GSM-103 program, as applicable.
